

The Rotary Club of Fayetteville, Arkansas

Club Newsletter
January 2010

Dear Carol,

WELCOME to the Fayrotales newsletter

January is Rotary Awareness Month. Glenn Estess, chair of Rotary Foundation, says it is a time to learn more about Rotary and focus on our public image. He says " the more Rotary is known for its good work, the more good work Rotary will be able to do". The Gates Foundation chose to give Rotary the \$355 million to fight polio because of Rotary's past successes.

RI President John Kenny says January is the halfway point in our Rotary year and is time to assess our progress toward Club goals. Success by Rotary in our goals can positively affect the lives of people living in conditions most of us can only imagine. He points out that each of us, in our choice to continue to put Service Above Self, is the way we can help shape the course of the months, years and decades ahead.

Happy 2010, or last half of 2009-2010 Rotary year!!

FAYRO 2010

The new tournament director for Fayro Classic, Stephen Caldwell and committee, are preparing some changes for the website page so that teams will have early info. An event of the size and complexity of Fayro doesn't just happen the week or two before the tournament.

January 19 4 Way Speech Contest, Joint Meeting with Northside Club **on TUESDAY**

January 21 NO MEETING due to 4 Way Speech meeting

GSE team members, Robinson Esparza, that exhibits how these visits can affect one's life.

Dear Larry and Nancy (Long),
My knowledge of English is not enough to say thank you for the wonderful experience we have, I lack the words to express the gratitude I feel for you and all the wonderful people we met at Rotary this month.

Since I arrived I feel I brought my body, but part of my mind and my soul is still there, I have not stopped talking about the trip told my family the thousands of things I saw and learned.

For me was much more than a journey, was a life experience and came with a different mindset and an attitude inspired by the committment I saw in you to help your communities.

Thanks for everything and you always will have a friend in Chile, greetings for all but send please special greetings to Jeff.

PS: I am seriously thinking, you know, with my wife, to ask my sponsor Rotary club to accept me in Rotary.
A big hug for you and Nancy.

Our Club should feel proud and especially thankful for Larry and Nancy, and all who helped make Mr. Esparza's visit so meaningful. He may apologize for his lack of English but his message was very clear.

Long history of toilets

The Rotarian magazine for January reminds us that the many clean water projects have another side in sanitation. Many projects are now focussing on providing better toilet facilities where they are so badly needed around the world. This completes the loop begun when one of Rotary's first public projects in 1907 was to build "comfort stations" outside Chicago's City Hall.

Membership

Our Club membership is never steady with loss of some good members but we have been fortunate to continue to bring good new members into the Club. However each of these new members did not just happen to wander in off the street, but were asked by a member to visit, and finally their name was submitted for membership.

So do your part by locating good potential members and inviting them to visit.
