Rotarians Respond to Japan Earthquake and Tsunami

Rotarians have been finding a number of ways to help victims of the devastating earthquake and tsunami in Japan that killed thousands and left hundreds of thousands more homeless.

In response to the disasters, The Rotary Foundation established the Rotary Japan Disaster Recovery Fund, which will support long-term recovery projects in the

affected areas. More than US\$500,000 has been donated since the fund opened on 11 March. District governors in Japan are running a fundraising campaign to send money to district governors in affected areas. Mogi says that Rotarians who wish to help Japan should contribute to the Foundation's recovery fund. (Rotarians and non-Rotarians can donate online.)

There's an App for That

You can now search for a Rotary club with RI's free iPhone app. In the Apple app store it's called the Rotary Club Locator from Rotary International. The app also will soon be offered for Android phones.

Help Wanted: Are YOU Serving Others?

There's always a need in our club for helping hands. Take an inventory of how much you are exemplifying the Rotary way of Service Above Self, and if you see that you could be doing more, check with President Meika to see how you can be of more service. Do it today!
