

Rotary Rose Garden Rose List

Instructions: Rotarians may select a rose of their choice from the following list provided by the Botanic Garden of the Ozarks. Roses are grouped in categories based upon their taxonomic relation or growth characteristics. For each rose is given the cultivar name and a flower color (in parenthesis) if known.

As roses will be designated on a first-come, first-served basis, please rank your choices of 1 through 5, with 1 being your first choice. Indicate your ranked preference at the color on the left and write your name in the column to the left of the rose name.

Pref.	Rose Cultivar Name (color)	Your Name
ROSA (Rose) SPECIES		
This is a collection of various rose species demonstrating variation of the family		
	Cherokee Rose (white)	
	Rosa sericea pteracanthus (white)
